REGULATION

In no event shall Eurotunnel Le Shuttle be liable for the provision of veterinary services.

The vets listed above are all referenced by the "Conseil régional de l'Ordre des vétérinaires des Hauts de France".

Article R242-49 of the French Rural and Maritime Fishing Code:

"(...) The vet must reply to any information request about his fees or the cost of a treatment."

Comment from the French National Order of Veterinarians:

"The Vet is free to set the prices he provides to his customers according to the principle of freedom of prices applicable to all professionals.

Prices for veterinary services are not regulated. (...) The vet must also respect some obligations regarding customer information and price display".
